

solar_core::Institute

```
classDiagram
    class solar_core_MarketingInst["solar_core::MarketingInst"]
    class solar_core_Institute["solar_core::Institute"]
    solar_core_MarketingInst --|> solar_core_Institute
```

The diagram illustrates a class hierarchy. At the bottom is a white box labeled 'solar_core::MarketingInst'. A blue arrow points upwards from this box to a gray box at the top labeled 'solar_core::Institute', indicating that 'solar_core::MarketingInst' inherits from 'solar_core::Institute'.
